

ANNECY 2013

Press Release March 2013

International Animation Film Festival 10th-15th June 2013

Mifa 12th-14th June 2013

Cartoon Network Studios join the "+ de courts!" competition.

Annecy 2013 and Dailymotion are pleased to announce the participation of Cartoon Network Studios in the "+ de courts!" competition.

The winner of the competition, launched last December, will be treated to a week at the Annecy Festival to attend screenings, sneak previews, book signing sessions, and meetings... **as well as the chance to discover the Cartoon Network Studios on a 5-day trip to Los Angeles!**

Adobe, global leader in digital marketing and media solutions and partner of the event, is offering the winner a one-year membership to Adobe Creative Cloud, the creative platform for sharing and broadcasting content.

The Festival is making the most of this great piece of news **to extend the competition by 2 weeks.**

The short film should be **posted online on the Dailymotion channel** of the Annecy Festival up to 14th April 2013 at:
http://www.dailymotion.com/contest/annecy_animation_competition_2013

Internet users will be able to vote for the 10 finalists from 15th April to midnight 15th May 2013. A jury, made up of animation professionals, will then choose the 3 prizewinners between 16th and 19th May 2013.

Cartoon Network Studios

Cartoon Network Studios is an American animation studio. A subsidiary of the Turner Broadcasting System (an arm of Time Warner media), Cartoon Network Studios primary focus is producing and developing original animated programs for Cartoon Network.

The Festival

As the biggest animation event in the world, the International Animation Film Festival (created in 1960), and the Mifa, give attendees the chance to check out the latest animated creations, meet well-known names and up-and-coming talent, spot new trends and find the ideal work partner... in one place.

Dailymotion

Dailymotion is one of the biggest video sharing websites in the world with some 116 million visitors each month and 2 billion videos watched monthly. It was recently placed 31st in the comScore list of websites, in all categories.
